

Emergency Preparedness Workshops

LEARN HOW TO BE EMERGENCY PREPARED

Each year, the Victoria Emergency Management Agency offers a number of free workshops to educate individuals and families on how to prepare for emergencies such as power outages and winter storms, and disasters, such as an earthquake, tsunami or other natural disaster.

WHAT WILL IT TAKE FOR YOU TO BE PREPARED FOR AN EMERGENCY?

Learn what hazards can affect us in Victoria, what you need to do to be prepared for an emergency, and how to build your own emergency preparedness kit at our Emergency Preparedness Workshops offered throughout the year.
