### **Overview**

This 4-part series, hosted by the Fairfield Gonzales Community Association and the Moss Street Village initiative, will combine dynamic presentations, facilitated dialogue and small group discussion. Each session will build on the last, so ideally people will attend all four or as many as possible.

### **Toward a Sustainable City - September 10<sup>th</sup>**

Presentation by Kim Fowler, the City of Victoria's new Director of Sustainability, followed by dialogue and small group discussion.

### **Community Gardening – September 17<sup>th</sup>**

Presentations by Patti Parkhouse, Vic West Food Security Collective member, and Chloe Markgraf, Fairfield Gonzales Community Association / Streetlife Committee member, followed by discussion and action planning.

### **Traffic Calming – September 24<sup>th</sup>**

Presentation by Mike Skene, Boulevard Transportation Group; review of what works and what doesn't based on experience with traffic calming in various cities; discussion of local concerns and visions.

### **Building Community at the Street Level – October 1<sup>st</sup>**

Presentation by Angela Evans, Streetlife co-founder and Clare Street organizer, followed by discussion and action planning.
