

Plastic Recycling Volunteers

On the fourth Saturday of every month, the FGCA operates plastics recycling depots in conjunction with Pacific Mobile Depots , where you can bring any hard and soft plastics (including Styrofoam), milk cartons and Tetrapaks, as well as electronics, household batteries and many other items.

Volunteers receive the recycling, collect fees & sort material.

These hundreds of volunteer hours were recently recognized by the 2010 CRD Eco-Star Award for waste reduction non-profit. Many of our volunteers have helping out for years.

Keep this neighborhood initiative going and get involved by calling us at 250-382-4604 or by email at plasticsrecycling@fairfieldcommunity.ca.
